

Melinda Gooderham, MD MSc

Melinda Gooderham is an Ontario, Canada-based dermatologist. She is the medical director at the SKiN Centre for Dermatology, an investigator with Probit Medical Research, an assistant professor at Queen's University, and a consultant physician at the Peterborough Regional Health Centre. She is a Fellow of the Royal College of Physicians of Canada.

As the principal investigator for 250 clinical trials, Dr. Gooderham specializes in inflammatory skin diseases. She actively contributes to the dermatology community as an associate editor and reviewer for several peer-reviewed journals. She has authored more than 250 peer-reviewed articles, including publications in *The New England Journal of Medicine*, *The Lancet*, and the *British Journal of Dermatology*. As an international speaker, she enjoys lecturing to global audiences on emerging therapies for skin diseases.
