

Tissa Hata, MD

Tissa Hata is a clinical professor in the Department of Dermatology at UC San Diego Health (UCSD) in San Diego, CA, USA. She is the director of the UCSD Dermatology Clinical and Translational Trials Unit and vice chair of UCSD Adult Medical Dermatology.

She is an original member of the Atopic Dermatitis Vaccinia Network (ADVN) sponsored by the National Institutes of Health (NIH) National Institute of Allergy and Infectious Diseases (NIAID) and is coprincipal investigator for her site at UCSD for the continuation of the ADVN as the Atopic Dermatitis Research Network (ADRN). Her interest is the microbiome in atopic dermatitis with a focus on mechanisms which impact the atopic microbiome.

Dr. Hata earned her medical degree from the University of Southern California Keck School of Medicine and completed her dermatology residency at Harvard Medical School. She was on faculty at the University of Utah before joining the UCSD faculty in 2001.
