

Anna López Ferrer, MD PhD

Anna López Ferrer is a consultant dermatologist in the Department of Dermatology at Hospital de la Santa Creu i Sant Pau in Barcelona, Spain. Since 2012, she has led a collaborative clinic with the Department of Rheumatology focused on the integrated care of patients with psoriasis and psoriatic arthritis, with a particular interest in early diagnosis and treatment optimization. She also is an associate professor at the Universitat Autònoma de Barcelona.

Dr. López Ferrer is a member of the Board of Directors of the Spanish Academy of Dermatology and Venereology (AEDV) and coordinates the Spanish Psoriasis Group of the AEDV. She is actively engaged in national and international clinical research and has authored multiple peer-reviewed publications. She is a member of the AEDV, the European Academy of Dermatology and Venereology (EADV), and the Educational Committee of the Group for Research and Assessment of Psoriasis and Psoriatic Arthritis (GRAPPA). She also serves as a councilor of the International Psoriasis Council (IPC) and as the national coordinator for the Global Psoriasis Atlas (GPA).

She earned her MD and her PhD in biochemistry from the University of Barcelona.
